Dear Mr. Chairman and Madam Chairwoman:

This supplements our previous responses to your letter, dated March 8, 2007, which requested documents and other information about the request for the resignations of eight United States Attorneys. We have identified additional documents responsive to your request.

Enclosed are approximately 283 pages of documents responsive to your request from the Offices of the Attorney General, Deputy Attorney General, the Associate Attorney General, and Public Affairs, plus the Executive Office for United States Attorneys. We have redacted or not made available for review documents for the reasons previously described in our letter of March 19, 2007, and have also redacted information the public disclosure of which would present law enforcement concerns. We will make unredacted copies of these documents available for review at the Department by Committee staff as indicated in our March 19<sup>th</sup> letter.

We hope that this information is helpful and would appreciate the opportunity to confer further with the Committee if you have further questions about this matter.

Sincerely,

A handwritten signature in black ink that reads "Richard A. Hertling".

Richard A. Hertling  
Acting Assistant Attorney General
