8 Q Yes. You never advised the Attorney General of
9 your reasons for believing that any individual U.S. Attorney
10 belonged on this list of termination?

11 A I think the moment you said directly or indirectly,
12 that is where I had a problem.

13 Q Right.

14 A So I have no memory of a direct conversation where
15 I directly communicated to the Attorney General my reasons
16 for supporting the names of the individuals on the list, at
17 least up until that November meeting, even that November
18 meeting, which I am sure we will get into in a moment.
