Secretaries Johnson and Kerry,

Press reports have indicated that the Administration is putting together a plan to allow non-U.S. citizens infected with Ebola, to enter the United States for treatment. Please provide answers to the following questions by October 25, 2014:

- 1) Are either of your Departments formulating a plan to allow non-U.S. citizens infected with Ebola to enter the U.S. to receive medical treatment? If so, what are the details of the plan?
- 2) Have employees of either of your Departments engaged in conversations regarding a plan to allow non-U.S. citizens infected with Ebola to enter the U.S. to receive medical treatment?
- 3) Please provide me any and all written memos or other documentation written by employees of your Departments regarding the formulation of a plan to allow non-U.S. citizens infected with Ebola to enter the U.S. to receive medical treatment.

Thank you in advance for your prompt response.

Sincerely,
