The Honorable Alejandro Mayorkas
Secretary
U.S. Department of Homeland Security
3017 7th St. S.W.
Washington, DC 20528

Dear Secretary Mayorkas:

On March 13, 2024, police in Rockland, Massachusetts, “arrested 26-year-old Cory Alvarez, a Haitian national,”¹ in connection with a vicious assault on a disabled “15-year-old girl.”² According to press reports, in June 2023, Alvarez was “fl[own] directly from Haiti to John F. Kennedy Airport in New York City”³ as part of the Biden Administration’s illegal categorical parole program known as CHNV that “allows up to 30,000 Cubans, Haitians, Nicaraguans, and Venezuelans to fly into the U.S.” each month.⁴

Criminal aliens exploit vulnerabilities in our nation’s immigration system to the detriment of those in the United States. The Biden Administration’s border and immigration policies only increase the likelihood that criminal aliens will successfully enter and remain in the U.S. Pursuant to the Rules of the House of Representatives, the Committee on the Judiciary is authorized to conduct oversight of federal immigration policy and procedures.⁵ To assist the Committee with its continued oversight of federal immigration policy and procedures, we ask that you please provide the following materials regarding Cory Alvarez:

1. Case history information, including, but not limited to, the alien’s immigration history, immigration benefits applications, the alien file (A-file) or consular file (including all consular notes), and immigration detention status and history.
