The Honorable Parisa Dehghani-Tafti
Commonwealth's Attorney
Office of the Commonwealth's Attorney for
Arlington County and the City of Falls Church
1425 N Courthouse Rd, Suite 5200
Arlington, VA 22201

Dear Ms. Dehghani-Tafti:

Since the 118th Congress, the Committee on the Judiciary has been conducting oversight of politically motivated prosecutorial actions of state and local prosecutors.¹ On September 11, 2025, a left-wing activist, Barbara Wien, posted flyers in her Arlington, Virginia neighborhood depicting White House Deputy Chief of Staff for Policy Stephen Miller's face and publicizing his home address.² While posting the flyers, Wien walked past Miller's house and attempted to intimidate his wife, who was sitting on the front porch, by indicating she was watching the Miller family.³ The Federal Bureau of Investigation (FBI) determined Wien likely violated state and federal anti-doxing laws and sought a search warrant for her phone.⁴ However, U.S. Magistrate Judge Lindsey Vaala, who has previously donated to the presidential campaigns of Presidents Obama and Biden, denied the FBI's request.⁵ On October 1, 2025, Virginia State Police secured a warrant from a state court judge.⁶

After determining that Wien had misled investigators during an interview on October 1, the FBI sought another search warrant.⁷ Once again, Magistrate Judge Vaala denied the request.⁸

On October 2, 2025, in the matter pending before a court in Arlington County, you made “an unusual request” by siding “with the defense” in requesting that the judge overseeing the matter limit the search warrant and the information that state police could share with the FBI, which the judge so ordered.⁹ According to investigators involved in the case, you have been “stymying the investigation” into the threats made against the Miller family.¹⁰

Additionally, you reportedly support a left-wing “activist group” known as Arlington Neighbors United for Humanity (ANUFH).¹¹ Wien is a member of ANUFH and the flyers she posted displaying the Millers’ home address also featured a QR code linking to ANUFH’s Instagram account.¹² ANUFH has previously left threatening chalk messages outside the Millers’ home and praised the violent anarchist network Antifa.¹³

Your unmistakably partisan actions suggest that you are willing to not only ignore threats of political violence against those with whom you disagree, but will actively side with those making the threats. The Miller family deserves the same protections afforded to all Americans, particularly when it comes to feeling safe in their own home. Their safety is especially important in light of recent left-wing political violence against prominent Republicans, and the election of an attorney general in Virginia who fantasizes about murdering the children of his political opponents.¹⁴

The appearance that you have allowed your political bias to influence an investigation involving a senior Trump Administration official gives rise to substantial federal concerns. Accordingly, to advance the Committee’s oversight, we respectfully request that you produce the following material for the period of January 20, 2025, to the present:

1. All documents and communications referring or relating to the Office of the Commonwealth’s Attorney for Arlington County and the City of Falls Church’s receipt and use of federal funds;
2. All documents and communications the Office of the Commonwealth’s Attorney for Arlington County and the City of Falls Church has submitted to any court in this matter;
3. All documents and communications between or among employees or contractors of the Office of the Commonwealth’s Attorney for Arlington County and the City of Falls Church referring or relating to Stephen Miller, Katie Miller, Barbara Wien, or Arlington Neighbors United for Humanity;

Pursuant to the Rules of the House of Representatives, the Committee is authorized to conduct oversight of criminal justice matters and judicial proceedings.¹⁵ If you have any questions about this request, please contact Committee staff at (202) 225-6906.
