The Honorable Darcel D. Clark  
District Attorney  
Bronx District Attorney's Office  
198 E. 161st Street  
Bronx, New York 10451

Dear Ms. Clark:

The Committee on the Judiciary is conducting oversight of state and local jurisdictions that endanger American communities through their refusal to cooperate with federal immigration officials and their prioritization of illegal and criminal aliens over American citizens. We write to request information about your office's sanctuary policies, which ultimately endanger the communities you serve.

During your tenure, the Bronx District Attorney's Office has routinely undermined the rule of law under the guise of safeguarding the public. For years, your office has openly given preferential treatment to aliens based on their immigration status. You require prosecutors in your office to consider "immigration" along with a "broad range of other potential collateral consequences when initiating a prosecution."<sup>1</sup> You have even boasted how your office agreed to dozens of requests "to re-plead to an alternative crime, primarily due to immigration concerns."<sup>2</sup>

You have also advocated for laws that not only prevent immigration enforcement but also imperil law enforcement, the community, and aliens alike. To protect communities from dangerous foreign nationals, Immigration and Customs Enforcement (ICE) arrests criminal aliens in courthouses, which "is safer for law enforcement because these criminals have gone through security and been verified as unarmed."<sup>3</sup> The arrests are also safer for the community because they ensure criminal aliens are not free to reoffend. Even Biden-Harris Administration ICE officials confirmed that arresting criminal aliens inside a courthouse is safer for law

enforcement, the public, and the aliens themselves.<sup>4</sup> Nonetheless, you have endorsed prohibitions on arresting criminal aliens at courthouses, falsely claiming that the policy “could have a chilling effect on getting witnesses to assist in [your] cases, potentially resulting in a threat to public safety.”<sup>5</sup>

Under your office’s pro-crime, pro-illegal immigration policies, illegal alien criminals are allowed to freely operate, terrorize local communities, and reoffend without consequences. Like other sanctuary jurisdictions we have examined, the shielding of criminal aliens from immigration enforcement in the Bronx undermines public safety and thwarts the efficient enforcement of federal law. Accordingly, to assist the Committee with its continued oversight of federal immigration policy and to inform potential legislative reforms to address sanctuary policies, we ask that you provide the following information:

1. All documents and communications referring or relating to the Bronx District Attorney’s Office’s interaction with Immigration and Customs Enforcement for the period January 1, 2016, to the present;
