

Amazon Bookseller's Story

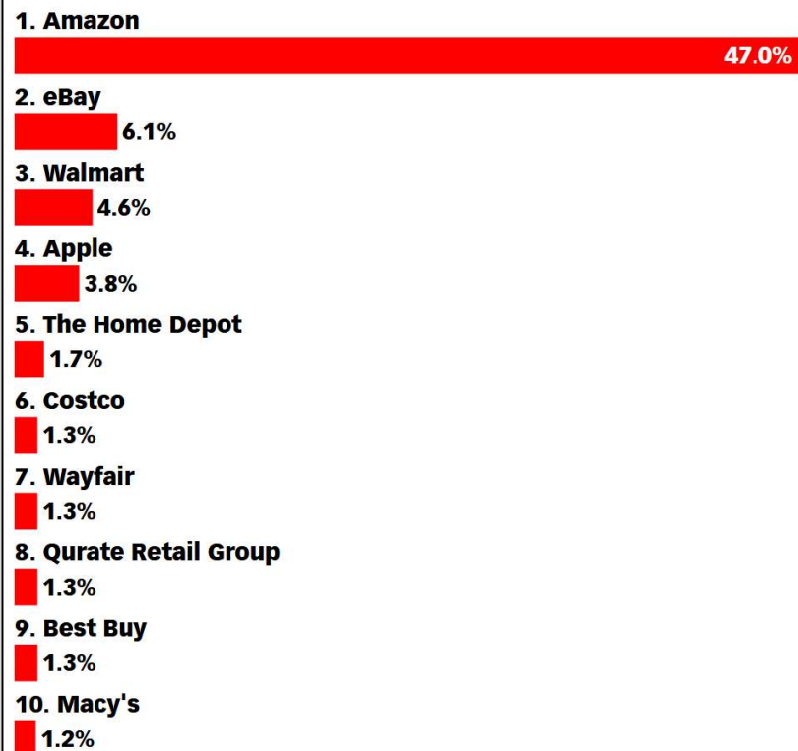

We were a top bookseller on Amazon.com, and we worked day-and-night very hard towards growing our business and maintaining a 5-star feedback rating with, um, 99 positive reviews. And, uh, most importantly, this business feeds a total of 14 people, which includes three children and one 90-year-old granny.

Amazon Bookseller's Plea

Mr. Bezos, we increased our sales on Amazon by five times in the past three years. And we have contributed that much proportional seller fees to Amazon. We have contributed that much to your business—five times. We followed all the rules that were set by you. We, we—please you know just help us in earning our livelihood.
