Replying to @realDonaldTrump

Narcissists have no cognitive mechanism to handle their misdeeds being exposed. We are witnessing full-on narcissistic rage.

**Narcissistic Rage**

Narcissist rage is fury and vitriol of unparalleled proportions. It is the external manifestation of internal short-circuiting sparked by being unmasked as weak and false. Contrary to popular belief, the trigger isn't about 'being exposed' to others. It is their own momentary glimpse of what lies beneath their denial that is the cause. It is the snapshot of comprehension of what they are and what they are capable of.
