Schiffs impeachment is a FARCE because

1. There was no military aid withheld.

2. The conversation about corruption in Ukraine was based on compelling evidence of criminal conduct by then VP Biden, in 2016, that has not been resolved and until it is will be a major obstacle...

...to the US assisting Ukraine with its anti-corruption reforms.

The American people will learn that Biden & other Obama administration officials, contributed to the increased level of corruption in Ukraine between 2014 to 2016.

This evidence will all be released very soon.
