If you answered "yes" to either item 4 or 5, please list the source (by agency and program) and amount of each grant, subgrant, contract, or subcontract, and indicate whether the recipient of such grant was you or the entity(ies) you are representing. <i>(Please use additional sheets if necessary.)</i> P&G has received a number of grants. Many of them relate to research and innovation. While the total number of any such grants and contracts are small relative to the size of the company, the short response time to the Committee's invitation to testify prevents a more complete response at this time. In addition, P&G is a supplier to the Department of Defense military post exchange system. If the Committee wishes to request a more detailed response to this question, a more complete response would be provided.
